

## FEBRUARY'S PRAYER

"God, we thank you"

God, we thank you for this food  
For health and strength and all things  
good

For wind and rain and sun above  
And, You, who gives us Your deep  
love.

Amen!

## BIBLE STORY

This week our Bible story is the story of Jesus raising Jairus' daughter from the dead. This week Jesus shows us He is more powerful than death! Jairus, a ruler of the synagogue, came and found Jesus and begged Him to heal his daughter. (At the time Jairus found Jesus the man's daughter was gravely ill, but not dead.) While walking to Jairus' house the girl died and a servant came to tell them Jesus was no longer needed. Jesus continued to the home anyway with the father. When they arrived, Jesus went to where the dead girl was and told her to get up! Immediately the girl opened her eyes and sat up. Jesus told the parents to feed her. What a miracle! Jesus has indeed conquered death- even from the cross. Jesus lives eternally and we can too!

## NOSE BLOWING

Did you know blowing one's nose is a learned trait? By the age of 4 or 5 children who have been taught can do it. With assistance a three-year-old can be working on this skill if they have not been already. Please instruct children to blow with their mouth closed, holding the tissue to fully cover their nose. Coughing or sneezing into one's elbow or a disposable tissue is also a good strategy to help prevent the spread of germs. Washing hands after blowing a nose is also important.

## COVID UPDATE

We are preparing to move from the COVID pandemic to the Endemic! There has been some exciting news announced last week. We are marking our calendars for March 21 and the release of the restriction of mask wearing in the classroom. Please still be vigilant and mindful of health concerns and mask wearing in the meantime. Our goal is to remain COVID free at our preschool and keep all our students as healthy as possible as we move forward. We are thrilled with this news yet will remain cautious. We will keep you posted as we receive information pertaining to our school.
